BeachWare today announces the release of our newest game, **Shell Whirl**.

Shell Whirl - A beautiful beach themed, next generation matching game with a totally new spin! Give it a Whirl! Kick off your shoes and transport yourself to an island paradise where you while away your time spinning shells at the beach. Choose from four different beach themed games while you relax to island music or natural ocean sounds. Enjoy over 100 levels of fun, addictive game play. Photo-realistic island imagery and soothing animations will clear your mind and relax your world.

Features at a Glance

- New 3D rotational game mechanic
- Over 100 levels
- Beautiful island themed graphics
- Addictive and relaxing gameplay
- Four different games to play
- Easy to Challenging game screens
- High Score tracking for each game
- Island Music or Natural Ocean Sounds
- Fun "Hide from the Boss" quick-key

Pricing and Availability

Shell Whirl runs under Windows 98/Me/2000/XP & Macintosh OSX. The price is \$19.95 (USD).
